

QUICKSTRIP turbo

High effective stripper for alkaline-resistant floors

Extremely powerful | Time and cost saving | Quick action

Technical Information

Product profile

- QUICKSTRIP turbo is an extremely powerful stripper which helps to completely remove old wax and polymer layers from alkali-proof floors.
- QUICKSTRIP turbo is pleasant to use and has no bad odors.
- Its quick and effective performance helps to save time and costs.
- QUICKSTRIP turbo has a low foaming formula and is even suitable for the use in scrubber dryers.

Area of application

- Can be used for stripping all water and alkaline-resistant floorings like PVC, fine ceramic tiles or epoxy floors.
- Not suitable for linoleum, sensitive rubber flooring, wood and color-sensitive surfaces. Do not let dry on glazed surfaces.

Ingredients, handling, storage and environmental instructions
