

SANET BR 75 red

Swimming pool and sanitary cleaner

Deep cleaner | Concentrated | Viscous

Technical Information

Product profile

- SANET BR 75 red self-actingly dissolves lime and lime soap, urine scale, incrustations, rust and cement residues.
- SANET BR 75 red does not cause corrosion on undamaged chrome surfaces.
- SANET BR 75 red is highly effective and usage can be versatile.
- SANET BR 75 red has time saving and good application properties.

Area of application

- SANET BR 75 red is for all public and private swimming pools, toilets (urinals), shower- and bathrooms. If using on chrome platings which are in a bad condition color changings (passivation) may occur.
- Do not use on acid-sensitive materials such as marble, copper, aluminum, nylon (polyamide), etc.
- For absorbent material, such as joints, wet with plenty of water. Before applying, a material compatibility examination in an inconspicuous place is recommended.
