

SANET lavosan

Ready-to-use neutral sanitary maintenance cleaner

Ready-to-use | Highest material tolerance | Acid free

Technical Information

Product profile

- SANET lavosan is an acid-free ready-to-use sanitary maintenance cleaner, specifically designed for high quality and sensitive surfaces.
- SANET lavosan reliably and easily removes all oily and greasy soilings, soap and cosmetic residues.
- Frequent application of SANET lavosan in combination with non-scratch sponges prevents the development of lime deposits.
- SANET lavosan is simple and safe to apply and leaves a pleasant scent.

Area of application

- The environment and material friendly composition of SANET lavosan allows an application on all water-resistant surfaces such as washbasins, fittings, tiles, ceramic, showers, marble surfaces etc. in the entire bath and sanitary area.
- SANET lavosan is ideally suited for daily used high-value facilities such as in hotels, restaurants, offices, (public or private equipment).
- Do not use on Plexiglass®.
