

SANET tasanit

Sanitary deep and maintenance cleaner

Powerful | Material friendly | Colour-free

Technical Information

Product profile

- SANET tasanit has been designed for daily maintenance and intensive cleaning in sanitary areas.
- SANET tasanit has a very powerful but material preserving colour free formulation which contributes to an economical and value conserving cleaning.
- SANET tasanit is an efficient and economic-in-use product. It is fast in action and pleasant in use.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area, for example on tiles, chromed armatures, porcelain, stainless steel, stoneware, rubber tiles etc. Not suitable for acid sensitive natural stones (e.g. marble) and acid sensitive surfaces such as enamel.
