

# SOFT absolut provence

Ready-to-use concentrated fabric softener

Concentrated | Economical | Antistatic

## Technical Information

### Product profile

- SOFT absolut provence is a powerful ready-to-use softener. 2L of this product are as good as 10L of a regular softener.
- Its anti-static agents allows the removal of static cling and eases calendaring and ironing.
- SOFT absolut provence leaves the laundry smooth and soft, thanks to its highly concentrated formula.
- Its lavender fragrance has been designed to leave a pleasant and long-lasting odor on fabrics and is both easy-to-use and economical.
- Thanks to its integrated dosing head SOFT absolut provence is especially designed to release the appropriate quantity of softener for a 5 kg-washing.
- **\* Upside-down 2 liter bottle:** SOFT absolut fresh is easy to dose thanks to the integrated cap on the upside-down 2 liter bottle; it delivers the exact dose for 5 kg of dirty laundry.
- **\* Canister:** ideally suited for applications with automatic dosing systems considering the recommended dosing.

### Area of application

- Incorporate product for the last washing.
