

SYSTEM oxy

Liquid bleaching additive for laundry

High temperature efficiency | Powerful stain remover

Technical Information

Product profile

- SYSTEM oxy achieves a strong bright white effect on linen, due to the efficiency in high temperature of the hydrogen peroxide formula.
- SYSTEM oxy easily removes all types of bleachable stains (wine, coffee, tea...).
- Its special formula without chlorine derivatives prevents permanent stains because SYSTEM oxy avoids an interaction between chlorine and pharmaceuticals.

Area of application

- Applicable on every type of bleach resistant textiles and especially for synthetic fibres.
- Suitable for all types of professional washing machines.
- Do not apply manually.

Ingredients, handling, storage and environmental instructions
