

TAWIP original C

Polymer based wipe care - concentrated

Refillable | Concentrated | Prevents re-soiling

Technical Information

Product profile

- Because of the refillable dosing bottle TAWIP original C is economical in use.
- TAWIP original C enables cleaning and care in one step, leaving a pleasant room scent and uniform appearance.
- The silky gloss care film protects the floor from re-soiling and leaves no unwanted build-up of layers.
- The product makes stripping of uncoated floors unnecessary.
- TAWIP original C is tested according to DIN18032.

Area of application

- Suitable for use on all floors such as linoleum, PVC, rubber, flex plates, natural and artificial stone and sealed wood floors.
- Do not use on unsealed wood floors.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

1,25-2,5 ml/l

Manual floor cleaning:

Mop the floor with a wet mop in one or two steps.

Open floor surfaces:

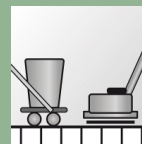

Can be applied in auto scrubbers.

40-80 ml/l

Spray cleaning:

Spray thinly and evenly on the floor, treat with a single disk machine.

Initial care with soilrelease-effect:

Wet wipe the uncoated floor. Polish after drying.
