

TAWIP original

Polymer based wipe care

Care & cleaning | Reduces resoiling | DIN 18032-2

Technical Information

Product profile

- The cost- and time-saving TAWIP original enables cleaning and care in one step, leaving a pleasant room scent and uniform appearance.
- TAWIP original leaves a silky gloss care film and protects the floor from re-soiling which means a long-lasting cleanliness.
- TAWIP original guarantees a uniform appearance and does not cause unwanted build-up of layers and wiping streaks.
- TAWIP original is simple and safe in application and ensures an anti-slip effect (DIN 18032-2). The product makes stripping of uncoated floors redundant.

Area of application

- TAWIP original is suitable for all kinds of floors which are made of linoleum, PVC, rubber, flex plates, natural and artificial stone and sealed wood floors.
- Do not use TAWIP original on unsealed wood floors and polished stone floors.
