

WC ultrafresh

Powerful toilet bowl cleaner

Viscous consistency | Top performance | Safe in use

Technical Information

Product profile

- WC ultrafresh is a toilet bowl cleaner based on a specific combination of acids.
- WC ultrafresh shows a powerful and quick cleaning action.
- Based on its viscous formulation and cleaning performance WC ultrafresh removes all common soils from urinals and toilet bowls.
- The special bottle with angled neck assures a fast, direct, easy and safe application.

Area of application

- WC ultrafresh is suitable for the cleaning of all toilet bowl, urinal and bidet facilities.
- Not suitable for acid sensitive surfaces such as marble, limestone and enamel (especially zircon-enamel), acid sensitive plastic lavatory seats and –lid as well as acid sensitive tiles.
