

# APESIN rapid plus

## Liquid fast-acting Surface disinfectant cleaner

- Broad activity
- Versatile
- 2-in-1

### Product profile

- APESIN rapid plus is a liquid fast-acting surface disinfectant cleaner for entire institutional, medical and food-processing areas.
- With a broad activity against bacteria, yeast, fungi and viruses.
- For simultaneous disinfecting and cleaning of washable surfaces and items.
- APESIN rapid plus is free of fragrances.
- The short contact times enable efficient work processes.

### Area of application

- APESIN rapid plus should be applied with wet wiping method (mechanical action).
- Always pay attention to complete wetting of the surface and do not dry surface before completing required contact time. Follow the specified contact times for the respective product concentrations (see page 2).
- Surfaces with food contact need to be rinsed with clear water after use and contact time.
- APESIN rapid plus is suitable for surfaces and items made of e.g., PA/POM, acrylic glass, VA steel, etc. Before applying, a material compatibility examination in an inconspicuous place is recommended.
- Not applicable on metals such as brass, copper or aluminum.

### Ingredients:

Ingredients per 100g: 5,0g didecyldimethylammonium chloride, 5,0g Quaternary ammonium compounds, benzyl-C12-16-alkyl-dimethyl, chlorides, <5% anionic surfactants.

### Sustainable development and production:

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Test material compatibility in an inconspicuous place before applying. For further information, see Safety Data Sheet. Use biocides safely. Always read the label and product information before use.

**Storage:** Store at room temperature in the original container. Keep from freezing.

**Environmental:** Only give completely emptied container to special waste disposer.

### Application and dosing

Dose in relation to application. Please note hints and dosing table.

**Maintenance cleaning:** Mop the floor with a clean mop.

**Surface cleaning:** Wipe the surface wet with a clean cloth.

#### Sales units:

Order No.: 716035      2 x 5 L
