

BRILLANT multiKliks

Rinse-aid for professional dishwashers

- High shine ■ All water types ■ Concentrated

Product profile

- BRILLANT multiKliks is a cost and time saving rinse aid which reduces the drying time and quickly dissolves residues due to the contained alcohol.
- The prevention of lime scale deposits on utensils and the neutralization of alkaline residues on the dishes leads to uniform results.
- Due to the avoidance of disturbing foam development, BRILLANT multiKliks achieves a higher machine performance as well as a high work efficiency.
- The rinse aid is suitable for all water types.

Area of application

- KLIKS is a closed system with a clever packaging design providing maximum user safety and hygiene while guaranteeing the complete emptying of the product and a space saving disposal.
- Suitable for all types of dishwashers.
