*for more information please visit www.wmprof.com

Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Active water stewardship maintaining an own fresh and waste water treatment

Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

INOXOL protect

green-Effective® Protection spray for stainless steel

■ 2 in 1 ■ For metal surfaces ■ Anti-finger-print

Product profile

- INOXOL protect gives brushed stainless steel back its shine and removes the grime that tarnishes stainless steel ware, such as watermarks, finger marks, dust, etc.
- INOXOL protect obtains optimum results, its hydrophobic film repels water splashes.
- Only a very small amount of the product is needed to shine up large panels, thus allowing INOXOL protect to save costs.

Area of application

- Suitable for all brushed stainless steel in kitchen areas, but also effective on elevators, stairs, etc.
- Do not use on stainless steel mirrors.
- Do not spray directly on surfaces.
- Do not use on kitchen sinks.
- Do not use on surfaces with direct food contact.

Product safety, storage and environmental instructions

Safety: For professional use only. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied packaging to special waste disposer.
