- Established quality management system in product development and production

makes the difference

# MANUDISH sensitive

## green-Effective® Manual dishwashing liquid

■ Effective ■ Skin friendly ■ CLP-free

### Product profile

- MANUDISH sensitive is an ecological, intensive cleaning dishwashing detergent. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- CLP-free due to its particular tenside composition for highest user safety while ensuring high effectiveness.
- The complete abandonment of perfume and dye ensures highest standards for effective and discreet dish washing results.
- Dermatologically tested with caring urea for a skin friendly use and highest end user tolerance.
- Majorly composed of renewable resources, MANUDISH sensitive takes on the responsibility for future generations.

### Area of application

- MANUDISH sensitive is used for manual dishwashing.
- Not suitable for dishwashers.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container.

**Environmental:** For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

3 ml/5L

**For light soiling:** apply 1 splash.

5 ml/5L

**For heavy soiling:**

wash the dishes with a brush or a sponge in the cleaning solution.

Put the dishes in an upright position and let them drip dry.
