

NOWA SR 760

Industrial alkaline foam cleaner

■ Degreaser ■ Persistent foam ■ Chlorine-free

Product profile

- NOWA SR 760 is a powerful cleaner which removes grease and protein soiling in the food industry.
- Its stable and compact foam allows a good adhesion and therefore a higher efficiency, even on vertical surfaces due to longer and more effective exposure time.
- NOWA SR 760 allows to save costs and time thanks to its quick application.

Area of application

- For the cleaning of all strong soiled, alkali-resistant surfaces in food processing areas.

Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

Sustainable development and production
