Joint of tiles to be wettened before using the product undiluted.

d green-Effective[®] High performance sanitary cleaner and descaler

Supreme lime dissolving Extremely fast Natural easy to clean effect

Product profile

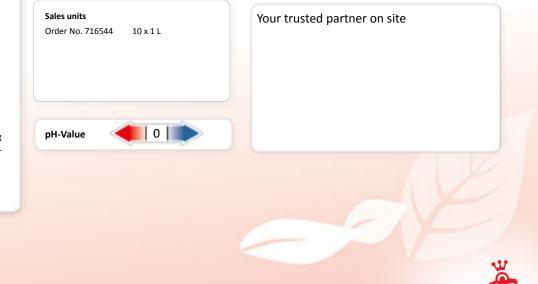

- With its innovative formulation SANET extreme reaches proven top scores in terms of lime dissolving and removes lime desposits and incrustations extremely fast.
- Also typical soillings in the sanitary area such as lime soap, urine scale, cosmetic residues or rust are removed effortlessly.
- A natural easy-to-clean effect is reached by effective and residue-free removal of mineral and organic soilings. Thus water can run off consequently from sanitary objects, fittings and surfaces.
- Makes sanitary surfaces shine without reworking.
- By its material tolerant formulation SANET extreme contributes to a value-preserving cleaning of all typical fixtures and fittings such as chrome fittings, ceramic tiles, porcellaine objects etc.
- SANET extreme offers all the benefits of an effective, economic and time-saving sanitary cleaner.
- Its pleasant fragrance provides a sense of freshness in the sanitary room.

Area of application

- Suitable for all acid resistant surfaces in the entire bath and sanitary area, for example tiles, chromed armatures, porcelain, stainless steel, stoneware, rubber tiles etc.
- Not suitable for acid sensitive natural stones (e.g. marble) and acid sensitive surfaces such as enamel and Polyamid.
- Test material compatibility before use, particularly on plastics. Rinse with fresh water, particularly if used in concentrated application.

Product safety, storage and environmental instructions

Safety: For professional use only. For further information see Safety Data Sheet. Storage: Store at room temperature in the original container. Store in upright position only. Environmental: Dispose of container into the collection of recyclables only when it is completely empty. For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution.
