*for more information please visit www.wmprof.com

Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Active water stewardship maintaining an own fresh and waste water treatment

Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

SANET natural

green-Effective® Sanitary Cleaner Vinegar

- High performance ■ Natural power of vinegar ■ Streak-free

Product profile

- SANET natural is an acid sanitary maintenance cleaner, which effectively uses the natural acid of vinegar. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- The sustainable acetic acid is obtained from certified wood and comes from an innovative biorefinery.
- Meanwhile enhancing the work safety, SANET natural shows outstanding cleaning performance in low use concentrations and easily removes lime scale, lime soap, water stains and dirt.
- It effectively eliminates unpleasant odours and leaves surfaces free of streaks and clouding.
- By the complete abandonment of hazardous ingredients, SANET natural takes on the responsibility for future generations.

Area of application

- SANET natural is suitable for the use on all acid-resistant surfaces in sanitary areas.
- Do not use on marble or other acid-sensitive materials or non-diluted on artificial (plastics) materials.
- Do not use with hot water.
- Rinse off product from metal surfaces with clear water.

Product safety, storage and environmental instructions

Safety: For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.
