Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

TANET neutral

green-Effective® Neutral Cleaner

- High performance ■ Degreasing ■ Material and skin friendly

Product profile

- TANET neutral is a neutral maintenance cleaner with an excellent cleaning performance even against oily and greasy soiling. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, TANET neutral assures perfect cleaning results at low use concentration.
- TANET neutral comprises a pleasant scent and highest material and skin compatibility. Therefore, TANET neutral can even be used as hand dishwashing detergent.
- Majorly composed of renewable resources, TANET neutral takes on the responsibility for future generations.

Area of application

- TANET neutral is suitable for the use on all water resistant surfaces, wall and floor tiles, doors, plastics, etc.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

2,5-7,5 mL/L

Manual floor cleaning: Mop the floor with a clean mop.

Surface cleaning: Wipe the surface with a clean cloth.

Product safety, storage and environmental instructions

Safety: For professional use only. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container. Keep from freezing.

Environmental: For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution.
