<5% anionic surfactants (sodium laureth sulfate), non-ionic surfactants (sugar surfactants), soap (linseed oil), perfumes, phenoxyethanol Specific ingredients: water, glycol ether, food colour (E133), cosmetic dyes, common salt

Traditional German quality - driving your durable business development

More than 30 years pioneer in sustainable product development

Smart hygiene solutions ensuring profitable growth Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

TANET orange

Application and Dosing

2,5-7,5 mL/I

Dose in relation to application and degree of soil. Follow below

instructions.

Manual floor

cleaning: Mop the floor with a clean mop.

Surface cleaning: Wipe the surface wet

cloth.

or damp with a clean

d green-Effective[®] Floor and Surface Cleaner

Increased user safety Effortless cleaning Pleasant orange scent

Product profile

- TANET orange is a maintenance floor and surface cleaner with exceptional environmental properties and a pleasant orange scent. Respecting biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing work safety e.g. by its clinically tested skin compatibility, TANET orange guarantees perfect cleaning results at low use concentrations.
- High performance and a very good dirt holding capacity result in effortless and time saving cleaning processes. Its pleasant orange scent brings each cleaning result to its perfection.
- Majorly composed of renewable resources, TANET orange takes on the responsibility for future generations.

Area of application

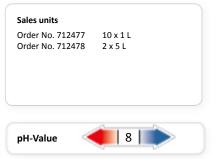

TANET orange is suitable for all water-resistant surfaces and floors such as plastic, rubber, stone, linoleum and PVC.

Product safety, storage and environmental instructions

Safety: For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimises environmental impact.
