

TANET SR 13 C

Concentrated alcohol based cleaner

- High performing ■ Streak - free ■ Pleasant scent

Product profile

- TANET SR 13 C is an efficient and cost-saving floor and surface cleaner aiming for the highest cleaning performance in low use concentration.
- Being especially gentle to coated floors and other sensitive surfaces and materials, TANET SR 13 C leaves no streaks and stripes after cleaning and keeps the surface's original appearance and shine.
- The versatile and cost saving TANET SR 13 C causes perfect and residue-free cleaning results, requires no rework and creates an even and pleasant appearance.
- Due to its exceptional fragrances, the easy-to-apply TANET SR 13 C creates a pleasant scent while in use.
- Also available: 2 L refill bag for dosing bottle.

Area of application

- TANET SR 13 C is suitable for all water-resistant types of flooring (e.g. PVC, linoleum, stone, etc.), as well as for water-resistant self-shine emulsion or dispersion films. In addition, suitable for all washable, smooth and shiny surfaces made of plastic, varnish, glass, ceramic, metal. Not for unsealed wood.
