

TANEX gum-ex

Chewing gum remover

■ Powerful ■ Residue-free ■ Material-friendly

Product profile

- TANEX gum-ex quickly removes even old chewing gum, play dough, modelling clay or plasticine from all textile, elastic and hard surfaces.
- Through icing of the particular stains e.g. chewing gum, the fast and easy application saves time and costs.
- Instantly afterwards, the stain can be removed without harming the surface, due to the material-friendly formula.
- TANEX gum-ex does not leave any smeary or sticky residues and preserves the surface's original appearance.

Area of application

- TANEX gum-ex can be applied to all textile floorings as well as to clothes and fabrics. The product also removes chewing-gum and play dough on elastic and hard floorings like PVC, linoleum, elastomer, wood and stone.

Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

Sustainable development and production
