\*for more information please visit [www.wmprof.com](http://www.wmprof.com)

### Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 23% of organic carbon processed in TANEX power originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

### Ingredient declaration

For the ingredients list, please see the Safety Data Sheet

### Traditional German quality - driving your durable business development

- More than 30 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

# TANEX power

## **green-Effective® Ready-to-use Power and Plastic Cleaner**

■ Powerful ■ Efficient & economic ■ Versatile application

### Product profile

- TANEX power is a ready-to-use heavy-duty cleaner for various surfaces and an outstanding stain remover for all types of adhesive soiling, e.g. marker pen-, ink-, stamping ink stains.
- TANEX power allows to save costs and time through its high efficiency, its quick and easy handling and versatile application areas.
- TANEX power is material-friendly, keeps the surfaces' original appearance, leaving no streaks and stripes after cleaning.
- Attractive fragrance underlines the high cleaning performance of the product.
- TANEX power is also excellent for felt pen-, ball pen-, sticky label adhesive-, heel mark stains, as well as greasy, cosmetic and nicotine stains.

### Area of application

- Suitable for use on all matt, high-gloss and textured plastics and plastic-coated surfaces indoor and outdoor.
- Can be used for streak-free cleaning of (school-, work-, gardening-) tables, doors, cabinets, shelves, wall paneling, kitchen facilities made of Formica, fitness equipment in schools, nursery schools, office buildings, hotels and sports facilities.
- TANEX power is also suitable for stamp colours, ink spots, pen and felt-tip lines.
- The product can be used on ABS (Acrylonitrile butadiene styrene), Makrolon® / Polycarbonate (PC) and PLEXIGLAS®/ acrylic glass.
- Do not apply on aluminium and painted materials
- Recommended: Spray 4-5x per m<sup>2</sup>

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Test material compatibility before use. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container.

**Environmental:** The product is not intended for large-scale cleaning. For maximum effectiveness always use the correct dosage. This will minimize water consumption and reduce water pollution. Only give completely emptied container to special waste disposer.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**Surface cleaning:** Spray directly or onto a suitable cloth. Allow short action time and wipe with clean cloth.
