### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

makes the difference

# WC lemon

## **green-Effective® Toilet Bowl Cleaner Lemon**

■ Viscous consistency ■ Easy-to-use ■ Safe application

### Product profile

- WC lemon is an acid toilet bowl cleaner, which effectively uses the natural acid of lemons. Respecting the biological cycles, it cares for people's health and cleaning staff's safety.
- Meanwhile enhancing the work safety, WC lemon shows outstanding cleaning performance due to its viscous formulation and effectively removes all common soils from urinals and toilet bowls.
- The special bottle with angled neck assures a fast, direct, easy and safe application.
- Majorly composed of renewable resources, WC lemon takes on the responsibility for future generations.

### Area of application

- WC lemon is suitable for the cleaning of all toilet bowl, urinal and bidet facilities.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**Maintenance cleaning:** apply directly into the bowl and under the edge. Leave for a few minutes (overnight for persistent soiling), brush it briefly and rinse.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container.

**Environmental:** Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimises environmental impact.
